Ingredients:

500 g egg tomatoes, dried
Italian herbs, salt,
pepper from the grinder,
olive oil, Balsamico vinegar

Preparation:

Strongly heat a grill pan (or charcoal grill).

Halve the tomatoes lengthwise. Generously sprinkle a flat plate with salt, pepper and herbs and mix. Press the tomatoes with the cut surface onto the mixture.

Put with the cut surface up/down onto the grillage or grill pan. As soon as they are slightly burnt, turn carefully – they are quite smooth now – and grill very briefly from the skin side.

Drip olive oil and some drops of Balsamico vinegar onto it and serve.
